

# **"Homework!" Getting your name printed on your new PMA uniform!**

Having your name on the back of your uniform is important. It acts a great identifier to all teachers working with children, spectators, and to your fellow students. It is also required for our tournaments and testing. Additionally it brings a sense of team attitude and belonging to a group.

After washing your new gi (karate uniform) to allow for shrinkage, please take it to one of the following stores to affix your child's name on the back.

*(Adult/teen members don't need names on gi)*

**DO NOT WASH BELTS! AVOID BLEACHING PATCH.**
